

Availability Report

Created: 23 November, 2006

For Period : December 01, 2004 - December 22, 2005

Availability Report

Overall Service Availability

This category reflects availability of all services currently being monitored by OpenNMS.

Nodes having outages: 296

Interfaces: 566

Services: 776

The last 12 Months Availability

The last 12 Months Availability

Date	Percentage Availability
Dec	99.15290
Jan	98.36595
Feb	98.49290
